The Premises:

Terraced house in busy mixed residential and commercial area, next to a couple of businesses, including a motor garage. House a bit run down, especially from the outside, but clean and tidy enough. The bathroom is very large with a good shower.

The Lady:

Morgan is an early 20's, size 8 English girl - everything in nice proportion. Brunette, long legs and very cute. When she smiles it lights up the room.

The Story:

Morgan is one of 2 new girls at Ruby's. She must be in her mid 20's but she looks 16 and she is very new to working. She has not had more than 2 lovers until she started this new career 3 weeks ago and as a result she does lack a bit of confidence and needs reassurance - but how cute is that!

She is very comfortable with the GFE indeed if you want to have a great time treat her like a shy new girl friend and she just blossoms. She gives a stunning bj and likes to receive too.

We had a great time and she will soon be confident of her body and her sexiness. Until then she needs some nice guys to take their time and give her a good time to boost her confidence. Volunteer and you will be richly rewarded.

If was advising Morgan I would suggest she gets her schoolgirl uniform out and wears it all the time she is working. The queues would be round the block!
