The Lady:

Really gorgeous girl in her early 20's with a nice rack which are firm but slightly downward facing she would need a breast augmentation in a couple of years.

The Story:

Was in stoke and I was feeling horny and i had see peaches on a previous occasion and i remembered her blowjob was one of the best i have ever had so i rung up to book her. arrivd and i saw sabrina and boy she blew me away but since i had booked peaches i stuck to her besides the image of her mouth on my cock was too hard to forget, payed got into the room a bit of a wait all the parlours in stoke on trent seem to keep u waiting for like 10 mins, she came up stroked my balls a bit and it was on with the condom for some oral this had me squirming and after a few mins of that she got on top rode me and then i flipped her over and pumped away till i came. Overall a satisfactory punt would see her again jus for her blowjob but. she's not one for conversations so if she doesnt talk a lot dont feel offended maybe thats just her way of dealing with workin in a parlour, but i would be seeing sabrine next boy she is hot.
