The Story:

Onto my front for a back massage, keeping my legs apart as she has a great little technique inbetween!! I returned the compliment , then we went into 69.While i licked her delicious cropped pussy she gave me an awesome OW,and this brought me prematurely to orgasm.She soon wanked me back into action followed by doggy & mish during which she was a bit passive ,but she may have given up on me as I am 60 & didn't manage it again!A very nice punt all the same.She was in no hurry to leave & I enjoyed wathing her in the shower.
