well i got there a few mins late however when i did get there it was like heaven, i have had some really bad times with others lately other places and that, but this sure did make up for it, i orginally booked 30 mins but got carried away with all the kissing and cuddling, was great, if it hadnt have been i wouldnt have booked longer, she was so tight and it felt really nice when we had the sex, am i going to see her again, hmm of course i am,
