The Premises:

Great place; smart, neat and tidy.

Nice size bedroom.

It was quite a walk from Baker St station though; I should have used Marleybone as Susn advised.

The Lady:

Tall (5.9), amazing eyes; fantastic legs; peachy arse; nice smile. She looked great....need I say more?!

Really funny and sweet girl.

The Story:

Wow! Now that's what I call a GFE. She was hot! We had a really great time. Nothing was too much for her! We chatted loads (her english is great) and it was interesting (not boring).

The sex was fantastic; we really clicked in that department. The BBBJ was the best of any escort I've had; deep, hard and long lasting. I was almost tempted to let her go for the full 90 mins. She tasted amazing too. Incidentally, I has only booked 60mins but was having such a great time that I extended.

She was definitely the best of the best.....am definitely going back....wild horses wouldn't stop me!

Susan, once again, thank you for helping me make the perfect choice.
