### The Story:

this was my 2nd visit to a girl , not to good 1st time. Paris takes her time to ensure you know what you are going to get.

started with lapdance,kissing and touching you are encourged to move your hands all over her body. Short toy show, her hands moving around me looking for my weak points , she quickly found i have 2 bottoms that i love to have played with.

OWO and reserve when she sat on my head it was heaven. Finished with cowboy..

I will be returning.
