The Lady:

A genuine beauty, with sikly skin and perfect breasts. Better looking than the photos. She moves like a dancer, which (she told me) is because she used to be a gymnast.

The Story:

Agency had forgotten to ask her to wear normal clothes, so a quick change, some initial chat, a slow strip and then down to it. Plenty of mish, then doggy (during which she told me she came, which was nice of her whether she did or not). Finished with CIM. I could tell she didn't really like that part, but she did it cheerfully anyway.

A lovely girl, chatty and fun. Thoroughly recommended. I don't normally see the same girl twice, but I'll make an exception in this case.
