The Premises:

As previously described, a very nice establishment with well-furnished rooms. The receptionist is extremely pleasant and makes you feel right at home. The cappuccino was very welcome.

The Lady:

Well what can I say? Chloe is a very busty (enhanced) lady with long, long legs, dark hair and an absolutely beautiful posterior. She has a beautiful smile that melts your heart and a personality that makes you think you are with your girl friend. I would say that Chloe was early to mid thirties but I never was very good at ages so if you read this Chloe, I hope I am not too far out.

The Story:

It had been a long day at work and I needed to relax and unwind before returning to the empty home. I have visited Intimate Massage once before recently and had been very impressed and so decided to return to sample some one new. I needed a wash before anything else and the receptionist, Gabby, ran the Jacuzzi while I enjoyed my coffee. Chloe came and collected me from the lounge area and took me into the room once the bath was run. She chatted to me like an old friend and helped me undress for the bath. She then sat at the side of the bath while I washed. I am sure she would have joined me had I desired it but I was very happy to just sit there and relax while talking to this beautiful lady.

Once clean, she held the towel for me and helped to dry me off. Once dry it was down to the business and Chloe gave me a very good massage on both my back and front. Following the massage we got down to the interesting bits and sufficient to say we were both exhausted at the end of the hour-long session. This lady is a star and I will be back to see here again very shortly. I would like to think I could keep this lady to myself but that is not going to happen, so guys please enjoy Chloe and treat her with the respect that she deserves. The closest thing to heaven I have experienced in some time.
