Smart newish aptment easy to find and no problems.

The Lady:

Very good looking blonde with wonderful body and great boobs and legs.

The Story:

She soon had me relaxed and her hand on my knee soon made me hard as a rock and wanting more.

Sent for a shower and on return she was stripped to her lingerie and was ready for me.

Her oral action is very nice and her hands do wonders.

Messed around for a few mins and then got on with shagging her. From behind, on top and underneath she was great and nice and tight.

Finished off with her legs over my arms and humped her for all I was worth. A lovely climax was achieved and then she helped me clean up and into a second shower.

A lovely service well worth the fee.
