The Premises:

I've mentioned before that this place is lacking in decor and luxury.

It's a great shame, as with an update it could be a really good parlour. But it's worth it for the quality of the girls.

The Lady:

Caroline is absolutely stunning, there's no other way to describe her.

She's around 21, about five feet seven, slim, toned body, long black hair with small breasts, and a couple of piercings - on one breast and on her clit.

The Story:

I had a great experience at this parlour at the beginning of the year, so decided to return to see if it could be matched. There was a choice of four girls when I got there, who all looked nice. But Caroline easily stood out. She was sitting furthest away, and believe me when she got close up I realised that she was exceptionally pretty.

The girls here always ask if you know the prices when you get in the room (its ?10 admission to get in). I tend to ask for sex at ?40. However, sometimes that includes oral. Caroline did mention ?45 as a figure, but I said I'd always paid ?40 before, and she was fine about that. She stayed in the room, and quickly took off the white massuese coat to reveal a stunning body. She is slim. I don't like too slim, but she is very well toned, and therefore looked wonderful.

I accepted the offer of a massage, but this wasn't especially good.

So I happily turned over to get on to more exciting things.

This was when I was surprised to get some covered oral. But it was a very pleasant surprise as Caroline was really good at it.

After a couple of minutes we moved onto the sex. I wanted to go on top, as I wanted to be in full view of Caroline, rather than the more anonymous position of doggy.

She was pleasingly tight, so I started off gently. After a couple of minutes, I started thrusting harder. She groaned, but I was concerned I was hurting her, so I checked everything was ok, which it was. I then had a nice build up to a climax, very much savouring the moment as I did.

After I withdrew, Caroline said "perfect". Exactly what she was referring to I didn't ask. But it also summed up how I felt, so I was happy to leave it at that. This wasn't a GFE, but a great parlour encounter. And if I'm honest it was somewhat of a bargain, as Caroline could easily be in the ?150

an hour category.
