The Lady:

Pretty mid 20's lady, has a nice pair of tits they are fake but whoever did em did a great job coz they do look really nice, she does have a kinda solemn look though but she is still quite pretty. she used to work as zara over @ abby's

The Story:

gave a decent back rub has really smooth skin an soft hands, oral was covered didnt ask if she did owo but it was still good and she did take her time didnt seem to be in a hurry. had sex with her on top and then doggie, was a bit more chatty after sex but i would say she is quite reserved nevertheless her service is great and i would go back sumtime soon.
