### The Premises:

Excellent place that feels far more like home than a parlour, and you always receive such a warm welcome from the chatty and friendly receptionist. All the rooms are very modern and well decorated with showers. The only problem with this place is that there are so many gorgeous girls here that you're spoilt for choice every time you go in...

### The Lady:

Peaches is a stunning young beauty with a killer body and a really friendly personality.

### The Story:

This is a visit that I'll never forget, Peaches is an absolute gem and a joy to be with. I was greeted with a lovely big smile and a fantastic kiss. After one of the best back massages I've had in a long time, Peaches lay beside me for a lovely time of kissing and cuddling before Peaches let me bring her to a wonderful climax with my tongue and fingers - a place where I could have stayed for hours. Then it was my turn for a treat (owo) and boy was it difficult not just to explode. My treats didn't end there either as Peaches climbed on the bed on all fours for a fantastic session and an experience I won't soon forget.
