The Story:

Three girls came in, one at time, and they were all lovely. I went for the blonde with the big smile, normally I like brunettes!

Paris showed me to the room, ran the bath and chatted while we waited.
She was really nice and friendly, and soon slipped out of her clothes and helped me out of mine.

She has a great body, lightly tanned, nice pert boobs and great bum.

After a quick bath, where she gave my cock plenty of soapy attention, on to bed. What followed was a real GFE experience - very genuine.

Lots of oral, both ways and she has a really nice shaved pussy, that responded well to my tongue, and Paris had an orgasm (the kind you can't fake!). Then she let me watch her play with her pussy a little, before climbing on top of my rock hard dick (after giving me a good sucking first of course!).

What followed was good hard and passionate in several positions, with me shooting my load whilst fucking her hard doggy style!

fab...I will be back!

A great punt
