### The Premises:

Top floor flat, don't think lift was working. Nice place, seemed spacious and clean.

### The Lady:

Sexy Russian girl with smouldering eyes, pretty much as in profile. Opened door in a silky red gown and heels. Asked her to wear stockings and she did. Tall and elegant, with a fantastic body, long legs, tight bum and small breasts with fantastically hard nipples!

### The Story:

Out of this world performance. Had a few punts, but this beats them all. I felt like a long lost boyfriend - a very passionate and steamy session. Doesn't stop DFK and her oral without is simply too much. Needless to say I was rock hard throughout and came twice, once over her tits. Her bed's a bit noisy, but who's caring! She enjoys being fucked! 11/10
