The Premises:

Well presented massage parlour. Reception area, plus good size room with bath & king-size bed. Friendly receptionist and bouncer.

The Lady:

Petite, dainty, little Romanian. Exceedingly pretty, and could win Gold if there was a medal for sheer cuteness. It's pure pleasure to watch her smile, which is just as well because her English is a bit limited (only been in the country a couple of months, so will doubtless improve).

The Story:

Didn't bother with bath, as I was fresh out of my own before setting out. Took my time with the cuddling, kissing, caressing etc., before accepting the massage (not very serious) and on to the main event. Had hoped to manage three positions, but in the event came after two - this girl is just too sexy, and I am 60 years old. Afterwards, some more stroking etc., but conversation to little purpose (see above). Enjoy this delightful little creature, but DO be kind!
