The Premises:

The Head office is by far the best establishment in the area.

Always clean and welcoming, the staff are always pleasant with a good relaxed atmosphere. Nice reception area tea, coffee etc.

The Lady:

Pretty much as described on the web site, probably a little older, but what does it matter, she's a good looking girl with an excellent figure. Emma ozes sex appeal.

The Story:

The massage was sensual from the off, not one of these dull ones where you fall asleep or so hard you think a man's doing it.

It was more foreplay than massage, it slipped into oral without noticing the join. Emma knows how to please and she really hits the right buttons, eventually I had to stop her before it was too late.

I massaged her for a while then entered her from behind, unfortunately I was in such a state of excitement, it didn't last too long.

A great experience all the same.
