### The Premises:

A ground floor flat a minute's drive from the A61 near the ring road. Clean, warm and comfortable - like its owner. The bedroom was simple and uncluttered - a low comfy bed. There was a tape of supposedly soothing / erotic music playing - I soon got that turned down!

### The Lady:

What I noticed first about Trisha is how very pretty she is with a full sensual mouth and enormous clear eyes. She's is a big girl, and BBWs are usually far from my thoughts and wishes - but she has the charm and confidence to carry off her size. Actually, to be honest, my second words to her were "You're not a BBW", which to me she isn't. But oh, that smile, those eyes!!

### The Story:

We spent the first ten minutes just kissing. There were two reasons for this. First I hadn't kissed a woman in a long time. Two, Trisha kisses for England. She also gives very very erotic BBBJs. She came once from a combined kissing and finger session; and a second time from an RO and finger session. She's lovely to lick - very wet and with a large and swollen set of lips. Eventually, after giving me one of the best rimming sessions of my life, she fixed her latest vibrating toy round my cock, and lubed me up and turned it on. "You won't cum" she said. Daft thing. I came like a fucking express train, seemingly for minutes.

We then chatted for about ten minutes. She's NOT a clock watcher, unless there's another punter due. A bright and lively woman with many a story to tell.

Thank you, Trisha. You know I'll see you again soon. x x
