The Premises:

A newly built smart flat near the city centre. Very clean and well furnished. Seemed safe enough in late afternoon.

The Lady:

Zoe is a pretty blonde girl who is in her early thirties. She has an all-round nice figure (and those green Irish eyes smile).

The Story:

Thoroughly enjoyable time. Zoe is sexy, chatty and funny with no airs and graces. She is also a bit of a tigress in bed! A true GFE who makes you feel welcome (and even coped with me accidentally breaking a glass without getting flustered or annoyed with me!) She combines that 'girl next door' type smiles and chat, with real glamour. She wore a lovely teddy with fishnets and high heels to go with her little back dress to show off her curvy body and great legs. I also think IK services do a great job - they get back to you at once and fixed this up with the minimum of fuss - which helps get you in the mood for some fun. And Zoe is fun!
