The Lady:

The descriptions and photos on the net are accurate except for one thing,in the flesh she is even more stunning than that !!! PERFECT in all departments.

The Story:

This lady is sensational.We had a few hiccups trying to arrange an appointment and even on the day the weather and traffic combined to reduce the appt to one hour instead of two,and suffice to say it was an hour that passed so quickly due to the fantastic level of service provided.She was a really pleasant person who made me feel completely at ease and then you get the added bonus of her being dynamite in the sexual department.Can't wait to see her again. The type of woman any man would be so proud to be seen out with in any setting.
