The Premises:

Very easy to find. Good, clear directions. Plenty of safe, free parking. Pleasant area. Really nice house, spotlessly clean, warm and welcoming.

The Lady:

The same can be said of Maya. Her website pics really don't do her justice. She has a wonderfully fit, toned body and superb firm(natural) boobs that I found a big turn-on. Otherwise, she is as descibed on her website and in previous FRs.

The Story:

Maya is very welcoming, warm and friendly. She is good company and fun to talk to. She has travelled a lot and her wide range of experiences make her an interesting companion.

This was the first time I'd seen Maya and she took great care to find out what I liked and what I wanted from the encounter. She made her own limitations clear (no CIM or A) and away we went.

Maya participated with energy and enthusiasm. She really does want to give you pleasure and she works hard to achieve this. For me, the highlight was the oral - in both directions. She is seriously good at it. Going down on her was sheer pleasure for me. She has the sweetest, freshest pussy you'll ever encounter, and she was very responsive to, and appreciative of, my efforts. I'm not saying that I was really good. All I'm saying is that Maya manages to convince you that you're doing good. At the end, there was no rush at all. Maya cleaned us both up (I do like that) and then we lay on the bed together and chatted for a bit.

Altogether, it was a most enjoyable experience and superb value for money.
