### The Premises:

Pretty basic Wg flat off croomwell road, really old shower though and the towel kinda stank. think its a shared wg flat.

### The Lady:

Really attractive young girl a bit quiet but gets chatty after a while. If only i stayed long enough maybe i might have enjoyed this punt.

### The Story:

Offered a shower which i declined coz i hadjust had one at my hotel, straight on to the bed for some light kissing and she gave OW, pretty dissapointing hopped ontop for some CG then i flipped her over and did it doggie when i came i realised i had blood all over me (apperently she was on her period) i was mortified so i had a shower and made my excuses and left 150 quid poorer with a killer boner. did call the agency to complain and the receptionist was apolgetic but it would be nicer if the girls didnt work when they were on. Im kinda squeamish so this has put me off her, shame coz ive had a few decent punts with this agency and she did seem a sweet girl. think ill stick to HoD in milton keynes.
