### The Story:

I phoned Sophie from the hotel car park and she gave me directions on how to get to her room without going anywhere near reception.

She opened the hotel door wearing lacy black underwear. Her face is not shown in her pictures but I was very pleased at how pretty she is. She put me at ease straight away and I knew I was in for a good time.

There is no doubt that her best assets are her gigantic boobs. They are very soft, warm and inviting and she knows how to use them.

She started off by giving me a pleasant massage, using her tits as well as her hands.

Sophie doesn't really like her reviews to include explicit detail about what went on so I'll just say that I spent a large part of the hour with my head submerged in her glorious cleavage and that she provides a GFE with plenty of kissing and cuddling.

There was no rush at the end as Sophie makes sure there is a large gap before her next appointment. I was able to have a shower after the hour was complete.

Sophie was a pleasure to spend time with and I would recommend her for anyone who prefers the fuller figured woman.
