The Story:

Met with a huge smile, sorted out money, was offered a drink and sat on the sofa for a chat. She asked if I wanted to see her bedroom (is the Pope a Catholic?). Moved through and lay on bed with lots of DFK. She was wearing lingerie and suspender belt as requested and was delighted to find out that there were no nickers to get in the way. Partly shaved with a small brazilian strip to guide you in. She told me that she likes it gentle and slow and soft, so that was fine, lots more DFK and a gentle build up to some DATY, OWO, breast sucking and finally a good long bout of MISH before I pulled out and finished off with 5 minutes between those lovely soft breasts, covering her throat and boobs in cum. She was always smiling, always cheerful, with excellent english and was chatty and cuddly between bouts. If you like them skinny then don't bother, but she is not fat, just womanly. Very nice lady.
