### The Premises:

Very nice, spaceful, tidy 2 (or 3) bedroom flat. She shares it with Erica. Very near to the tube station.

### The Lady:

At the web site her age is mentioned to be 23, but she is (looks) more than 33!!! Unfortunately, photoshop has destroyed our choices. She is not as fresh & slim as on her pics.

### The Story:

I decided to stay only because she was friendly. I asked to meet both of them (Tais - Erica)& to choose, as I knew that "uncle Photoshop" should have done its magic tricks. The agency & the girls denied. So, I booked 1 hr with Tais, as she was recommended from the agency. Nice chat, although she is brand new in UK & her english are limited. She is from Uzbekistan. At action, she was warm & willing to please. Nice & wet FK. If you don't care for her appearance (older than the pics), it is not bad choice. But not for me again.
