The Premises:

Stylish and comfortable apartment in Manchester City Centre.

The Lady:

Blonde, 5'6", slim and natural figure, all much as shown in photos on her website but with the addition of a lovely smile and pretty face, hidden from view in the pictures plus some other attractions which readers will have to visit her to discover.

The Story:

Another lady of our mutual acquaintance described Kirsty to me as sexy, friendly and vocal. She was all of those things but more besides - she is great to talk to; was very stylishly dressed (in a black suit over subtly-coloured lingerie, black stockings, which accentuated her long shapely legs and those all important spike- heeled shoes) and is full of skill, energy and enthusiasm in everything she does. I had a wonderful afternoon, especially as we started to plan for our next meeting, which I am sure will be every bit as exciting and enjoyable.
