The Lady:

Mature, attractive, well dressed and well spoken.

The Story:

Anna has several reports as Cherry, when she was an independent. Her agency has a number of mature ladies, but only Anna/Cherry has several reports, which are all positive.

After a general chat about things, we stripped off and she gave me a gentle massage. She gradually ratcheted up the tempo and the sensuality, using her lips, tongue boobs and other body parts to great effect. Wonderful oral, both ways before popping on the condom to bring things to a climax.

For admirers of mature women who know how to please a guy, you'll be hard pressed to surpass Anna. Highly recommended.
