The Story:

Met Virginia in the bar of my hotel, she was wearing what I requested and she seemed a little quiet at first. But that soon changed, took some wine up to the room and had a short chat. I couldn't keep my eyes off her and she just grabbed me. I'm not a fan of too much detail but what happened next was delightful to say the least. We slowly undressed each other and just dived on the bed.

Needless to say I couldn't get enough of her, I've never had so much fun on an app. Original time was for 2hrs but I wanted more of her so asked her to stay another couple of hours. When she left I slept like a baby, and can barely walk now. I'll definitely be back asap.
