The Story:

superb punt with an enthusiastic lady who clicked with me, and me with her. Started filling the bath but as she bent over to fiddle with the taps my cock stood to attention and nuzzled her backside, she turned around and covered my cock with her mouth, we staggered to the bed found a condom and had a really hard quick fuck, me on top and her legs over my shoulder, no faking her orgasim there!! Panted she asked me if I wanted a bath, I did and she soaped me clean. Just knew this was gonna be one of those punts!! Out of the bath and she dried me down, stopping to give small kisses every now and then, I picked her up and lay her on the bed and gave her about 10 minutes of intense oral, she grabbed my hair and begged me to fuck her, and who could resist that offer, so I did, she came cow-girl over me and I allowed her to ride me hard and long, she virtually screamed her orgasim again, and looked intensely into my eyes and kissed me passionately. Popped back in the bath and she again washed me - I couldn't get enough of her administrations and soon had another erection, she smiled and encouraged me onto the bed where we had another intense fuck - doggy style to start, then moved around to finish ontop, we both came together and she hugged my body and kissed me hard.

Top punt with a top lass, tight in the right places, and enjoys her work. Treat her well lads, she deserves the best!!

now forget the rest and try the best!!

Thanks darling, a superb punt, and I will be back very soon. xxxx
