Recently refurbished and I have to say absolutely amazing!!! Was made to feel welcome and offered a choice of ladies and a cup of coffee, the reception would not be out of place in a swanky city centre bar and the rooms were spotlessly clean, fantastically spacious and well decorated, all in all very comfortable could not have felt more relaxed

Just outside Oldham town centre with very discreet rear parking and a backdoor entrance

The Lady:

Paulina is probably in her late 20s, I'm sure she will forgive me for saying she was not the most attractive of the ladies in there, that said, she was still very good looking and an amazing body! the pictures on the web site were spot on, and here nipples were huge!!!

Figure wise, very slim, nice bust and immaculately groomed

The Story:

I was showed into the room and offered a shower, which I accepted, after a short while Paulina re appeared with a big smile on her face, she slowly undressed then walked over to me like she was possessed! she through her arms around me and we kissed like long lost horny lovers. I would say it was a true girlfriend experience (thats if your girlfriend was a nymphomaniac who had been forced into celibacy for 5 years and then set free!)

Her English is poor, but the only communication was animal lust, She bushed me onto the bed and almost drove on top of me in her rush to suck my cock (uncovered as requested ?10 extra, so good I gave her ?20) very enthusiastic, not exactly rough, more how I imagine a porn star would do it!

She then popped on a condom, usually this is awkward, but Pauline was so horny it felt like a natural part of sex. Then she rode me like there was no more sex for her for another 5 years, several positions more and ending up with me on my knees sweating like a marathon runner and

being wanked over her pussy, and she seemed to love it!

Paulina even took the time to wipe me clean, and I dont just mean a quick wipe, totally clean WOW

When we were dressed, she came over, kissed me again and started to rub my cock, I'm still smiling

Highly recommended
