### The Premises:

Well known establishment on the Desborough Road... Rogers description in FR: 71191 is pretty accurate!

### The Lady:

Debbie is blonde, around 5ft 8, very slim with a lovely smile and nice firm breasts. She is in her late thirties, I reckon, but her body (and energy!) more than defies her age!! She trains horses for a living, so is well toned. Alas, she doesn't bring her riding gear to work with her!

### The Story:

Paid for the cum-twice service with OWO and CIM. Started off with a nice massage and plenty of kissing lead on to some fantastic OWO, with plenty of horny slurping noises. Debbie is clearly an expert at giving head and seems to enjoy it! She carried on passionately for what felt like about ten minutes without coming up for a breather before I came in her mouth. We then chatted about horses for a bit before more oral and then sex in with her on top (you have to let someone who is an avid horse rider go on top once in your life, it was mind-blowing!) before finishing off in missionary. A fantastic, intelligent girl with a lovely attitude!
