### The Story:

Angel met me at my hotel, must say her site photo's don't do her justice at all. Had a glass of champagne and a short chat. I was a little nervous as I usually am, but she soon settled me down with a gorgeous kiss. She's the best kisser I've ever met. Anyway things moved on from there, slowly and erotically. Not one for putting detail down, that will remain between us. But she is very good at putting someone at ease and you will get exactly what you wished for. You give her something and you'll get it back in spades.No airs and graces with this lady. A good laugh with a sweet lady, very soft spoken which somehow added to the experience. Perfect for a newbie or experienced punter.
