### The Premises:

smart place in Chelsea

### The Lady:

Photos are very flattering. Mid thirties and dyed blonde hair quite small tits, a bit saggy. From Russia I think and clearly had children. Fine personality and chatty. Not attractive and annoying habit of texting in our time.

### The Story:

Only covered oral and seemed uninterested once we got going and she had the cash. Was perfunctory when i arrived and the time passed ok. Tried round two but she wasnt up for it. Its a shame because the agency is good but you can do a whole lot better.
