### The Premises:

Basement flat in neutral, laminate wood flooring. Clean and pleasant though characterless. Safe area, have been to this flat a number of times to see different girls from different agencies in the past.

### The Lady:

A very pretty girl with enhanced breasts. Certainly looks the porn star she's billed to be on the website. Also on another agency site as Victoria. C-section scar is hardly noticeable on her athletic, smooth skinned body.

### The Story:

She speaks good English and seems welcoming. Conversation is friendly and relaxed but she's not raring to go as one might hope for a PSE.

Alas the performance was very poor, a warning bell is "Oh, you are very big!" When I know I am just an average guy. Reluctant, closed lipped kissing nothing French about it at all. Uncovered oral lasted about a minute before she was reaching for a condom to move things on. I asked her to wait. She began to respond to oral on her but then rather than enjoy it she's the type who doesn't want to come and instead moves you on to sex. Not in that urgent, must have you way but as a matter of fact get it over manner.

Totally unresponsive to the sex, no fake passion like a porn star and certainly nothing genuine. By this time there was no way I was going to finish in this manner. She asked if I wanted to finish on her breasts but rather than offer me hand relief just lay there with the occasional half-hearted massage of my balls. No joy there either. After what seemed like ages staring at her bored features I rolled off and headed for the shower. She interrupted my shower to hurry me up, this has never happened in my years of punting.

After dressing and leaving I checked my watch and found that I'd actually left before the hour was up!

Avoid this woman, you will find so many better experiences elsewhere.
