The Story:

First time in Crewe for a while and decided to check out Brooklyn's. Only Kerry working - Sam was late after a heavy night out. Not bothered as I'd read a couple of positive reports about Kerry.

Once in the room, after the obligatory massage I gave Kerry a massage which led to me giving her a good rimming - which she loved! Turned her over and proceeded to give her pussy a good licking. It was very sweet.

Eventually she said that she would return the favour, so onto some great (covered) cock sucking. Several passionate kisses were enjoyed, despite no tongues before she mounted me cowgirl style. She managed to "buck" me all the way to an exhilarating climax but not before I'd had a good chance to get my hands, lips and tongue to grips with those majestic 36DDs.

Excellent punt.
