The Premises:

Long-established sauna which has recently been revamped. According to signs inside, it actually boasts a sauna and steam-rooms, although I didn't use them. A nice feature of the massage rooms is that they have a sort of angled bench, rather than the usual rickety table, so you can both lie down without wobbling.

Entrance on Hornsey Road near Holloway Road station - opposite a grocery store, so expect some passersby.

Three girls on duty at this time of day - not sure if there might be more choice on the "late shift".

There was apparently no maid as one of the girls was answering the phone and taking the ?10 entrance fee.

The Lady:

There were three women working - one mingling older blonde, a plain slim blonde and Kamilla, who was a chubby tanned brunette, not that good looking but sort of cute. Nice big D-cup breasts, but low-slung ass and rolls of fat around tummy.

The old blonde described Kamilla on the phone as 22, but she objected that she was 20.

The Story:

Kamilla was Polish with limited English. Quite submissive, she was happy to let me help her out of her white uniform and kiss her neck and breasts. Had her bend over and inspected her ass and pussy - she squealed when I spread apart her butt cheeks.

I lay down on the bench and let her give me covered oral. Amateurish and had to tell her to do it softer, but quite enjoyable. Gave eye contact when told to.

She let me play with her clit while she was sucking me. Told her to lie down while I played with her

tits and rubbed her clit some more.

Eventually lay on top of her and slid in. Fairly tight pussy and non-fake moaning brought me to the edge quite quickly. She was happy to let me lick her neck and ears which most parlour girls don't like. Told her to get into doggy - close to cumming by now, I stopped for a rest and she carried on thrusting back onto my cock, so I started pounding her hard and came.

I would recommend Kamilla if you like plump girls who enjoy their job. She said she worked Monday, Tuesday, Thursday and late shifts at the weekend (till 2am) - this makes me think they may have more than three girls on at busy times.

The overall selection of girls when I went was not up to the standard of places like Crouch End sauna, and I would like to hear more reports of Aqua Sauna at different times before returning.
