The Premises:

Took me 5 minutes to find the entrance, just a blank white door next to a Polish barbers shop on main road near town centre. Car park across road. Reception was ok, had to wait 10 mins as Britney was busy but was offered a drink and chatted to the receptionist. Room was clean and tidy with a big bed.

The Lady:

Gorgeous young lady, prob about 20, lovely slim body with the cutest bum. Just get her to bend over in front of you I nearly came at the sight! Small boobs but perfectly in proportion and the smoothest skin. A body to die for.

The Story:

Britney was really friendly and chatty and made me feel comfortable. She offered me a massage which was great, I then massaged her just so I could get a closer look at her bod, she is stunning from every angle! Went down on her, she was clean, shaved with just a little tuft, made all the right noises and movements so I think she enjoyed it, I know I did. She then gave me a bj (covered) with the obvious outcome! She cleaned me up and we lay there and cuddled for a while gently playing with each other. Anyway round 2 on with a condom and several positions later I came while doing it doggy, you really have to see her bum from that angle! Stunning young lady, Great service, I'll definitely be back to see her soon!
