The Premises:

The flat is one of the usuals used by this agency and a few others. It's a little tatty and tired but in an otherwise safe and solid mansion block near the tube. Hot water works fine as does the central heating.

The Lady:

Pretty blonde of mid to late 20's. Soft curves to a woman's body, no waif or hardbody, just lovely soft skin and enough to grab onto.

The Story:

My second time visiting Silvia in a week and it was even better than the first. Lots of passion, kissing, willingness and genuine response to my efforts.

No sense of rush or reluctance and it was so difficult to stop kissing each other even after I was dressed and ready to leave.
