The Premises:

The entrance and stairs to the flat weren't great, but once inside I found the flat to be clean and tidy. Area is safe.

The Lady:

Absolutely beautiful body, although I found her face slightly less attractive than on her professional pictures

The Story:

I was a little disappointed, she didn't seem to enjoy it too much and she was relieved when it was over and I offered to leave a little early. She also reached for her ringing phone a couple of times at the beginning while we were drinking.

We weren't alone in her flat and so could only use her very small bedroom.

Overall still a nice & pretty girl, but far from my best experience.
