### The Premises:

Clean and well established premises great porn movie showing in the waiting room

### The Lady:

Beautiful busty girl she is only around 23/24. Zoe enjoys herself and is willing to please she will not do Cim but that is her choice she makes up for it in other ways with her Owo as reported before she can get a bit toothy but I enjoyed that.

### The Story:

Very enjoyable I would recommend anyone that visits Zoe they should ask her what she likes on that particular day as she explained to me some days she likes one thing another day something else. She can take a hard pounding though. She is now my number 1.
