The Premises:

By far the best parlour I've been to in the Potteries area. Very clean, carpeted throughout, excellent en suite showers, porno on lcd screens in rooms, and chip and pin card machines available if you prefer to pay that way

The Lady:

Tall, slim, busty (firm boobs), black girl with long black hair and a lovely face. never stopped chatting and smiling.

The Story:

As soon as I saw her in the lounge area I had to have her, she is gorgeous. She didn't rush as she gave a lovely back massage, then body to body rubbing her herself firstly over my back and then my chest. Lovely boobs and so firm. Nice slow owo, then sex in the mish. Finished off kneeling over her and wanking over her boobs which she duly massaged into her skin. Absolute cracking punt. Highly recommended.
