The Lady:

Leoni is an African gem. Around 5'7" with the most beautiful, smooth chocolate skin, long black hair, perfect natural 34DD's and lips that would make Angelina Jolie jealous!

The Story:

The GFE is what turns me on. Leoni came in after my shower and immediately put me at ease. Her smile is infectious, and she makes you feel like you've known each other for years.

After a brief massage, she was amazed at how yet another bloke went all 'little boy with a new toy' when I began caressing her wonderful breasts. They are magnificent. Her ass was so firm and just perfect in size, and her waist came into a perfect size 10. I can't describe how perfect her skin is...so smooth and you just can't keep your hands off! I was in heaven.

Leoni on top is a sight to see. Lots of kissing and with me on top I came whilst Leoni french kissed me like a girlfriend. She's a diamond!

Couldn't believe she told me she was 27! Looks more like 20!

Can't wait for another rendezvous with the lovely Leoni. I remember now why I never got married...it's because Leoni is the kind of girl I want to wake every morning to!
