The Story:

I have been coming to Glasgow on business for best part of a year now. The best part of it is when I meet up with Sophie. I have met up with her several times now. I guess I must be a regular. We always meet at my hotel. This is the first time I have used an escort before and initially I was very nervous. Sophie was a very easy lady to get on with. The first time I met her I was blown away by her looks and her great body. She is a very chatty and friendly lady. Sophie is great with oral sex and is a very willing young lady to try all sorts of positions. Having sex with her has been just great. I would highly recommend her.
