The Premises:

Nice, clean, first floor flat just behind Holborn tube station. The entrance is discreet and the maid always lets you in pretty quickly.

The Lady:

Jada fits the description on the website - she's slim, sexy, petite and very gorgeous. Her face isn't shown in her pictures, but she is very pretty - I was pleasantly surprised when we met.

The Story:

Jada is the third girl that I've seen from the Indian Palace and the first who's made me want to write a report. From the start she made me feel relaxed and welcome. She was dressed in some sexy pink underwear but stripped down to just her fishnet stockings to give me a massage. We chatted about theatre and opera for a while, which made me feel that I had got to know her, if only a little bit! She is a friendly and sweet girl. Then she began to stroke between my legs and I turned over and began to stroke and kiss her, although she didn't seem keen on me kissing her on the mouth. We then had sex with me on top, during which I looked into Jada's beautiful eyes ... Jada is a lovely girl who I would like to see again.
