A building on a main street, painted in bright colours, no doubt left to anyone what sort of establishment it is. Tired and worn interior

The Lady:

Snall black and quite pretty, from a choice of three she seemed to be the best bet, the other two were larger ladies.

The Story:

The worst punt I have had in years, no communication, obviously didn't want to be there. Don't do this or that and this will cost extra! An awful experience which I brought to a close within 5 minutes. told the receptionist tat I was totally unhappy and got a blank look. Rang and told them I would report this on PN as it was so awful. no defence offered. stay away worst 60 quid I have ever spent.
