The Story:

Greeted by friendly receptionist who told me a double booking had been made and that Nikki would be a bit late. Was shown into a room.

After a short while taken to another room and asked if I would like to perhaps spend some time with other girls. Was introduced in turn to Maria and Isobella who both introduced themselves and gave me a peck. Both were stunners, but I had set my mind on Nikki, so decided to wait.

After about 15 hours later she walked in, and I felt like I had gone to heaven. What a stunner. Formalities were performed and we got down to the reason for my visit.

She seemed quite shy and unsure. Her english was not brilliant, but what the hell I never went for idle chit chat.

We started kissing, but this was not passionate, and no tongues. My hands started to wander, only to be told she was not keen on fingers. Both no-tounge and no-fingers was disappointing as these come part and parcel of a GFE.

She then asked what I liked (stupid question) and she started to perform a BBBJ. Not bad, but have I ever had a bad one!. I went down on her, but due to (not sure how to describe) I could not "get going".

After a while I asked her to put condom on as I was "ready for entry". She did this, then continued

BJ, followed by lubrication. I confirmed i could finish in mouth (suprising because tounges were forbidden) and I entered her on all 4's. Strangly I thought I should be careful as she was oh-so-tight.

Unfortunately, due to tightness I did not last long, pulled out and removed condom. Too slow, my seed was deposited on those wonderfull boobs.

A few minutes spent cleaning up, then idle chit chat.

I really good visit, but looking back this may have been more to do with her beauty.

Ive said no to visiting her again. Having now spent time with 2 ladies from HoD and met Juliet, Maria and Isobella then why return to same girl. Will be visiting again soon, and its a toss up (as the actress said to the bishop) between Juliet and Maria. I met Juliet on my first visit when waiting in kitchen and she seemed a fun woman, so I think it will be her. She cant again be 1st reserve.
