### The Premises:

mine

She felt totally relaxed which was great

### The Lady:

very pretty obvious! an accurate description on the Agency Site , pity no photo, no need as soon as you meet her, great figure, totally relaxing and loving from the moment she came into the flat, could have been a girlfriend, absolutely no rules and nothing was refused or too much trouble.

### The Story:

this young lady is incredibly beautiful, with a tremendous body. She arrived at my Flat on time and was warm and loving from arriving we had a glass of wine and within 10 minutes having originally booked for an hour I increased the time by 30 minutes, it was obvious I could not fully appreciate her charms in just an hour. She kissed exquisitely and soon we were undressing each other and were both totally naked by the time we made the bedroom. She was totally gorgeous in every way, her gentle touch, her caressing, her most excellent bbbj and then in many positions she inspired me. I have used a number of girls from different agencies, but Stacy showed me she was very, very special, we talked as old friends. This Girl is something very special. A must to see very, very soon.
