The Premises:

Nice bright flat a five minute walk from SouthKen station , always an ok area .

The Lady:

Very new to London ,a very good looking Spanish girl , lovely curvy figure , boobs enhanced I think but still very nice , tiny waist and gorgeous Latino bum .Not much Anglais but friendly and sweet .I think I was her first customer !

The Story:

Felt very welcome and some nice exploratory cuddles and fondling followed , a little shy but very inviting , don't think she wants kissing very much but loved her pussy tongued and licked and she got very wet .Came buckets in mish in her lovely juicy pussy , alas too quickly ! Had a rest and I tried to help her with some English lessons , all very silly I know but she was friendly and fun . Got very aroused again for the last 30 mins playing with that beautiful arse and we had quite a fucking session in various positions and I eventually came again wanking myself while she sat her botty on my face in a sort of 69 ! I was very turned on by her physical sexiness and I think she is very new to this so perhaps I was a bit awkward , but I would love to see her again soon , she is a very pretty sexy girl .
