The Story:

Although the pictures on the website are old Nataly is one hell of a beautiful girl. She is having NEW photos taken again very soon.

Unlike all my other punts this was a last minute booking. I was due to see another lady but due to problems with agency I cancelled and booked Nataly at 3 hours notice.

This was my 3rd visit to Nataly and yet again I was not disappointed.

I have previously wrote about her services so do not need to repeat them here.

My original plan was to have an afternoon of PSE but instead had a nice GFE with Nataly. Don't get me wrong she is more than up for PSE but it was nice just to chat with her. It has been a few months since I last visited her so it was nice to catch up things.

Nataly is very easy to click with and is very upfront and honest about a whole range of topics. She is very bright, bubbly and intelligent.

Also unlike other girls she is in no way a clock watcher and I never feel rushed at any time.

Now this is the hard part, will I visit her again??

The answer sadly has to be NO.

I REALLY like Nataly and therefore will have to resist seeing her again.
For me I could really fall for her and that is never good in a situation like this.

So Nataly if you read this I thankyou for a wonderful time and wish you all the best in your education and career path.
