The Story:

Heard from a mate that this was the owo of the year in his books, so decided to give her a try! Visited the usual cash point nr Gloucester Rd tube and walked over. 20 mins later I was enjoying dfk and my cock being massaged into life through my trousers! Seconds later my cock was rythmically being sucked and devoured by this EE babe. Kathrine was happy to suck and swill my balls in her mouth then alternate back to my cock. I really wanted the feeling to last but it was to good. She was taken back by the first blasts of hot sperm shooting into her mouth, I anticipated this and gently held her head on my cock until I was well and truley spent. There was not much conversation as I was there to have sex, though she did offer to get me drink which was a nice touch.

It was a great hour of gfe shagging for the remainder of the hour and holding those fit arse cheeks as I plunged in and out was too much for the bear and I collapsed in a heap on her back while she clenched her pussy mussels to squeeze the last drops of spunk out of me.

To be repeated before she vanishes again.
