The Lady:

I was amazed. I'd read Lotties physical description on the parlours website. "Dress size 6", i thought that this might be an exaggeration and she'd be an 8 to 10, but i was wrong, Lottie is tiny and a size 6 would be right. "Age 31", well for a change i had a pleasant surprise. So often a parlour will give you an age 5 to 10 years younger than the lady really is. In fact Lottie looks no more than 25. Put her in a schoolgirl uniform and you'd think that you're going straight to jail. Lottie also has a very high pitched little girl voice which adds to the effect.

The Story:

I always find it a bit awkward to be with a lady for the first time, but Lottie was very friendly. She gave me a wonderful back massage, think sensual not sports therapy, with lovely use of her hair and tiny breasts. I loved her cute tits and erect nipples that were so very suckable.

I agreed to OWO mainly because it was on offer and that isn't always the case. I went against my best judgement and paid an extra ?20 for the privilege. I have a foreskin which i'm sure sure that those of you in a similar uncut situation will agree needs to be pulled back to enjoy oral. Either Lottie did not know this or chose to ignore the fact but either way i did not get to feel Lotties tongue where i needed it. (Yes i could've said something, but was too embarrassed) So i wasted the extra money. I enjoyed performing oral on Lottie who has a very neat shaved pussy.

Sex was in the doggy position, Like most slim girls Lottie looks great in this position with lovely body lines and her long blonde hair spread out over the pillow.

The final event was for Lottie to stand over me fingering her pussy while i watched and wanked.

She certainly gave her pussy a hammering.

Overall a good visit to the parlour and i'd happily be looked after by Lottie again.
